Print name: _____ Title: _____

Signature: _____ Date: _____

Phone: _____ Email: _____

Project Award Category Form

GENERAL CONTRACTING / CONSTRUCTION MANAGEMENT

These are categories where members perform **GENERAL CONTRACTING OR CONSTRUCTION MANAGEMENT**. These include both ground-up construction and tenant finish.

You may select only **ONE** category indicating the dollar amount of the contract for the project.

ABC reserves the right to change an entry's original category if it determines that a project was entered in the incorrect category or the project's opportunity to win will be enhanced by the change to the new category. ABC also reserves the right to redistribute the contract volume levels within a category.

Mega-Projects

all projects more than \$100 million, regardless of type, whether General Contractor or Construction Management.

- Over \$100 million

Commercial

office buildings, banks, retail facilities, hotels and mixed use buildings.

- Under \$2 million
- \$2 - \$5 million
- \$5 - \$10 million
- \$10 - \$25 million
- \$25 - \$100 million

Community/Public Service

includes philanthropic projects using substantial resources donated by the contractor, regardless of type, that enhances the community. Entries should include information detailing the donated resources.

- Up to \$100 million

Federal Government/Military

all projects owned by the Federal Government, with the exception of transportation infrastructure and utilities.

- Less than \$10 million
- \$10 - \$100 million

Healthcare

hospitals, assisted living, nursing homes and other licensed medical facilities.

- Under \$2 million
- \$2 - \$5 million
- \$5 - \$15 million
- \$15 - \$25 million
- \$25 - \$100 million

Renovation

renovation or restoration of non-historical, existing buildings with more than 50 percent of square footage that has been renovated or restored.

- Under \$2 million
- \$2 - \$10 million
- \$10 - \$100million

Historical Restoration

restoration of buildings registered as historical, or that are eligible to be registered as historical, on a state or the national registry of historic places.

- Under \$1 million
- \$1 - \$2 million
- \$2 - \$10 million
- \$10 - \$100 million

Industrial

manufacturing plants and facilities, refineries and similar types of construction.

- Under \$2 million
- \$2 - \$5 million
- \$5 - \$15 million
- \$15 - \$25 million
- \$25 - \$100 million

Infrastructure-Heavy

streets or highways, dams, bridges and parks.

- Up to \$100 million

Institutional

buildings built for colleges, elementary or secondary schools, churches, local government structures; with the exception of healthcare facilities.

- Under \$2 million
- \$2 - \$5 million
- \$5 - \$10 million
- \$10 - \$25 million
- \$25 - \$100 million

Pre-Engineered Building

encompasses commercial, industrial and institutional building projects where the primary structure is a pre-engineered metal building. Previous winners include an indoor skating complex, a boat manufacturing plant and an office/warehouse facility. Entries should include information regarding the extent of the project this is pre-engineered (i.e. are there conventional components or portions of the building?), the contractor's role on the project (i.e. supply and erect steel, general contractor or design/builder) and why a pre-engineered building was utilized.

- Under \$2 million
- \$2 - \$10 million
- \$10 - \$100 million

Public Works/Environment

water treatment plants and sewage treatment plants.

- Up to \$100 million

Residential

single-family homes and multi-family projects and condominiums, including independent living retirement communities.

- Single family projects
- Multi-family & condos

Special Projects

construction not specifically referred to in the above, such as theme parks, skate parks, water parks, zoos, and other unique types of projects.

- Up to \$100 million

Project Award Category Form

SPECIALTY CONTRACTING

These are categories where members perform **SPECIALTY CONTRACTING** (Sub contractors) and are not acting as the general contractor or construction manager.

You may select only **ONE** category indicating the dollar amount of the contract for the project.

ABC reserves the right to change an entry's original category if it determines that a project was entered in the incorrect category or the project's opportunity to win will be enhanced by the change to the new category. ABC also reserves the right to redistribute the contract volume levels within a category.

Community/Public Service

includes philanthropic projects, regardless of type, that enhanced the community, using substantial resources donated by the contractor. Entries should include information detailing the donated resources.

- All contract amounts

Electrical - Commercial

systems in a facility built for the benefit of people comfort and occupancy such as: office buildings, hospitals, schools, shopping centers, call centers, multi-family residential, hotels, convention centers, fountain features in a commercial facility, sports arena and stadium, fire or security alarms, parking lots, medical laboratories or renovation in an existing facility.

- Under \$1 million
- \$1 - \$2 million
- \$2 - \$10 million
- Over \$10 million

Electrical - Industrial

systems in a facility built for the purpose of facilitating processes or manufacturing. Examples are manufacturing plants, processing plants, clean rooms, data centers, printing and processing centers, airports, animal facilities or electrical renovation in an existing industrial facility.

- Under \$1 million
- \$1 - \$2 million
- \$2 - \$10 million
- Over \$10 million

Mechanical - Commercial

systems in a facility built for the benefit of people comfort and occupancy such as office buildings, hospitals, schools, shopping centers, call centers, multi-family residential, hotels, convention centers, fountain features in a commercial facility, sports arenas and stadiums, medical laboratories or mechanical renovation in an existing commercial facility.

- Under \$2 million
- \$2 - \$4 million
- Over \$4 million

Mechanical - Industrial

systems in a facility built for the purpose of facilitating processes or manufacturing. Examples are manufacturing plants, processing plants, clean rooms, data centers, printing and processing centers, animal facilities or mechanical renovation in an existing industrial facility.

- Under \$2 million
- \$2 - \$4 million
- Over \$4 million

Exterior

masonry, precast, stone and all other exterior finishes.

- All contract amounts

Interior

to include but not limited to as follows: metal stud and gypsum, ceiling finishes, painting and wall coverings, other wall finishes and flooring. It is our intent to award based on degree of complexity and high end finishes showcasing the contractor's abilities.

- All contract amounts

Sitework/Landscape/Hardscape

interior or exterior landscaping and parking lots.

- All contract amounts

Specialty Construction

construction not specifically referred to in the above specialty categories, such as roofing, fountain features or artistic scaffolding.

- All contract amounts

2020 Associated Builders & Contractors of Oklahoma Excellence in Construction Safety Questionnaire

No project that involves a prime, multi-prime, subcontractor or any trade related work regardless of the type of contract, that has a safety-related fatality, is eligible for an Excellence in Construction Award. If there is a question regarding this application requirement, the applicant should submit to ABC of Oklahoma for confirmation of eligibility prior to submission of a project.

1. Did this project have a safety-related fatality? Yes No

2. Does your company have a written Safety & Health Policy Manual? Yes No
If Yes, provide up to a one-page summary or include a copy of its Table of Contents.

3. Did you develop a site-specific Safety and Health Policy Manual? Yes No
If Yes, provide up to a one-page summary or include a copy of its Table of Contents.

4. Were tool-box safety meetings held with employees? Yes No
Were these meetings documented? Yes No
Frequency of meetings: _____
Include a one page summary or an example up to two pages.

5. Was specialized training conducted on this project? Yes No
If yes, indicate types on a separate page.

6. Indicate number of OSHA-recordable accidents on this project: _____

7. Indicate number of OSHA lost-time accidents on this project: _____

8. Does your company have a written substance abuse policy? Yes No
If yes, provide a copy of the table of contents.

9. Additional information regarding any innovative safety and health programs used on this project or the company's overall safety program may be included.

Information about the person responsible for safety on this project and attesting to these accident rates:

Name: _____ Title: _____

Phone: _____ Email: _____

Signature: _____

2020 Associated Builders & Contractors of Oklahoma Photographer's Use Authorization

If any of photos being submitted were taken by a third-party photographer, the photographer's written authorization to use the photos is required. There are two ways to comply: (1) the photographer can sign and date the licensing agreement included in this document, or (2) applicant must submit a letter from the photographer giving ABC authorization to use the photos, which must follow the licensing agreement in this document. No changes are allowed to this document.

Photographs (This section may be copied to a separate page for ease of gaining signature. No amendments will be accepted.) Photographs submitted with the application have been licensed by the photographer to be used by ABC. Applicant has obtained the signature of any third party photographer to reprint the photographs without limitations.

License to Use: The undersigned photographer hereby grants Associated Builders and Contractors of Oklahoma ("ABC") a non-exclusive license regarding my photographs submitted by applicant in support of its entry in the ABC of Oklahoma Excellence in Construction Awards competition ("EIC Competition"). This license grants ABC an unlimited right to use, reproduce, crop, resize, publicly display, distribute, and transmit electronically including on the internet, my photographs in connection with the EIC Competition including but not limited to the promotion of the EIC Competition and the announcement and promotion of any awards, without payment of any royalty or license or other fee by or from ABC or applicant or agent or other representative of ABC or applicant.
