Print name: _____ Title: _____

Signature: _____ Date: _____

Phone: _____ Email: _____

Project Award Category Form

GENERAL CONTRACTING / CONSTRUCTION MANAGEMENT

These are categories where members perform **GENERAL CONTRACTING OR CONSTRUCTION MANAGEMENT**. These include both ground-up construction and tenant finish.

You may select only **ONE** category indicating the dollar amount of the contract for the project.

ABC reserves the right to change an entry's original category if it determines that a project was entered in the incorrect category or the project's opportunity to win will be enhanced by the change to the new category. ABC also reserves the right to redistribute the contract volume levels within a category.

Mega-Projects

all projects more than \$100 million, regardless of type, whether General Contractor or Construction Management.

- Over \$100 million

Commercial

office buildings, banks, retail facilities, hotels and mixed use buildings.

- Under \$2 million
- \$2 - \$5 million
- \$5 - \$10 million
- \$10 - \$25 million
- \$25 - \$100 million

Community/Public Service

includes philanthropic projects using substantial resources donated by the contractor, regardless of type, that enhances the community. Entries should include information detailing the donated resources.

- Up to \$100 million

Federal Government/Military

all projects owned by the Federal Government, with the exception of transportation infrastructure and utilities.

- Less than \$10 million
- \$10 - \$100 million

Healthcare

hospitals, assisted living, nursing homes and other licensed medical facilities.

- Under \$2 million
- \$2 - \$5 million
- \$5 - \$15 million
- \$15 - \$25 million
- \$25 - \$100 million

Renovation

renovation or restoration of non-historical, existing buildings with more than 50 percent of square footage that has been renovated or restored.

- Under \$2 million
- \$2 - \$10 million
- \$10 - \$100million

Historical Restoration

restoration of buildings registered as historical, or that are eligible to be registered as historical, on a state or the national registry of historic places.

- Under \$1 million
- \$1 - \$2 million
- \$2 - \$10 million
- \$10 - \$100 million

Industrial

manufacturing plants and facilities, refineries and similar types of construction.

- Under \$2 million
- \$2 - \$5 million
- \$5 - \$15 million
- \$15 - \$25 million
- \$25 - \$100 million

Infrastructure-Heavy

streets or highways, dams, bridges and parks.

- Up to \$100 million

Institutional

buildings built for colleges, elementary or secondary schools, churches, local government structures; with the exception of healthcare facilities.

- Under \$2 million
- \$2 - \$5 million
- \$5 - \$10 million
- \$10 - \$25 million
- \$25 - \$100 million

Pre-Engineered Building

encompasses commercial, industrial and institutional building projects where the primary structure is a pre-engineered metal building.

Entries should include information regarding the extent of the project that is pre-engineered (i.e. are there conventional components or portions of the building?), the contractor's role on the project (i.e. supply and erect steel, general contractor or design/builder) and why a pre-engineered building was utilized. Previous winners include an indoor skating complex, a boat manufacturing plant and an office/warehouse facility.

- Under \$2 million
- \$2 - \$10 million
- \$10 - \$100 million

Public Works/Environment

water treatment plants and sewage treatment plants.

- Up to \$100 million

Residential

single-family homes and multi-family projects and condominiums, including independent living retirement communities.

- Single family projects
- Multi-family & condos

Special Projects

construction not specifically referred to in the above, such as theme parks, skate parks, water parks, zoos, and other unique types of projects.

- Up to \$100 million

Project Award Category Form

SPECIALTY CONTRACTING

These are categories where members perform **SPECIALTY CONTRACTING** (Sub contractors) and are not acting as the general contractor or construction manager.

You may select only **ONE** category indicating the dollar amount of the contract for the project.

ABC reserves the right to change an entry's original category if it determines that a project was entered in the incorrect category or the project's opportunity to win will be enhanced by the change to the new category. ABC also reserves the right to redistribute the contract volume levels within a category.

Community/Public Service

includes philanthropic projects, regardless of type, that enhanced the community, using substantial resources donated by the contractor. Entries should include information detailing the donated resources.

- All contract amounts

Electrical - Commercial

systems in a facility built for the benefit of people comfort and occupancy such as: office buildings, hospitals, schools, shopping centers, call centers, multi-family residential, hotels, convention centers, fountain features in a commercial facility, sports arena and stadium, fire or security alarms, parking lots, medical laboratories or renovation in an existing facility.

- Under \$1 million
- \$1 - \$2 million
- \$2 - \$10 million
- Over \$10 million

Electrical - Industrial

systems in a facility built for the purpose of facilitating processes or manufacturing. Examples are manufacturing plants, processing plants, clean rooms, data centers, printing and processing centers, airports, animal facilities or electrical renovation in an existing industrial facility.

- Under \$1 million
- \$1 - \$2 million
- \$2 - \$10 million
- Over \$10 million

Mechanical - Commercial

systems in a facility built for the benefit of people comfort and occupancy such as office buildings, hospitals, schools, shopping centers, call centers, multi-family residential, hotels, convention centers, fountain features in a commercial facility, sports arenas and stadiums, medical laboratories or mechanical renovation in an existing commercial facility.

- Under \$2 million
- \$2 - \$4 million
- Over \$4 million

Mechanical - Industrial

systems in a facility built for the purpose of facilitating processes or manufacturing. Examples are manufacturing plants, processing plants, clean rooms, data centers, printing and processing centers, animal facilities or mechanical renovation in an existing industrial facility.

- Under \$2 million
- \$2 - \$4 million
- Over \$4 million

Exterior

masonry, precast, or stone.

- All contract amounts

Exterior Finishes

all other exterior finishes not specifically referred to in the prior category.

- All contract amounts

Interior

acoustical, drywall, millwork or plaster.

- All contract amounts

Interior Finishes

all other interior finishes not specifically referred to in the prior category.

- All contract amounts

Sitework/Landscape/Hardscape

interior or exterior landscaping and parking lots.

- All contract amounts

Specialty Construction

construction not specifically referred to in the above specialty categories, such as roofing, fountain features or artistic scaffolding.

- All contract amounts

2023 Associated Builders & Contractors of Oklahoma Excellence in Construction Safety Requirements Form

Current Program Year dates are October 16, 2022 through October 15, 2023.

Company Fatality Rule, Part A:

A company that experienced a safety-related fatality of a direct employee in the United States within the current program year is not eligible for an EIC award. *[This rule disqualifies a company.]*

Does this rule disqualify your company from winning an EIC award? Yes No

Company Fatality Rule, Part B:

A company that experienced a safety-related fatality of a direct employee in the United States during the three years before the current program year is required to provide additional information regarding action that has been taken following the fatality. *[This rule requires a company that experienced a safety-related fatality up to three years prior to submission provide details of the investigation following the fatality and demonstrate that corrective actions—procedural and cultural—have been taken to enhance the company's overall safety practices.]*

Does this rule disqualify your company from winning an EIC award? Yes No

Project Fatality Rule:

A project that involves prime, multiprime or subcontractors with a safety-related fatality is not eligible to be considered for an EIC award. *[This rule disqualifies a project, regardless of which contractor experiences the fatality on the job.]*

Does this rule disqualify this project from winning an EIC award? Yes No

OSHA Forms:

A company that does not provide project-specific OSHA Forms 300 and 300A (personal information redacted) OR company-specific forms for the year(s) the project was under construction is not eligible for an EIC award. *[The OSHA forms substantiate the applicants' responses to the fatality questions.]*

Did you provide the required forms? Yes No

Pledge:

A company that has not signed the Construction Coalition for a Drug- and Alcohol-Free Workplace pledge at drugfreeconstruction.org is not eligible for an EIC award.

[If an applying company participates in STEP, this information has been verified during the STEP application process, so the applicant can skip this question.]

Did you fill out the pledge at drugfreeconstruction.org? Yes No

Safety and Health Policy Manual:

A company that does not have a written safety and health policy manual is not eligible for an EIC award.

[If an applying company participates in STEP in 2023, this information has been verified during the STEP application process, so the applicant can skip this question.]

Does your company have a written safety and health policy manual? Yes No

2023 Associated Builders & Contractors of Oklahoma Excellence in Construction Safety Questionnaire

1. Did you read the Safety Requirements Form? Yes No

2. Attach up to a one-page summary or a copy of the Table of Contents of your company's Safety & Health Policy Manual.

3. Did you develop a site-specific Safety and Health Policy Manual? Yes No
If Yes, provide up to a one-page summary or include a copy of its Table of Contents.

4. Were tool-box safety meetings held with employees? Yes No
Were these meetings documented? Yes No
Frequency of meetings: _____
Include a one page summary or an example up to two pages.

5. Was specialized training conducted on this project? Yes No
If yes, indicate types on a separate page.

6. Indicate number of OSHA-recordable accidents on this project: _____

7. Indicate number of OSHA lost-time accidents on this project: _____

8. Does your company have a written substance abuse policy? Yes No
If yes, provide a copy of the table of contents.

9. Additional information regarding any innovative safety and health programs used on this project or the company's overall safety program may be included.

Information about the person responsible for safety on this project and attesting to these accident rates:

Name: _____ Title: _____

Phone: _____ Email: _____

Signature: _____

2023 Associated Builders & Contractors of Oklahoma Photographer's Use Authorization

If any of photos being submitted were taken by a third-party photographer, the photographer's written authorization to use the photos is required. There are two ways to comply: (1) the photographer can sign and date the licensing agreement included in this document, or (2) applicant must submit a letter from the photographer giving ABC authorization to use the photos, which must follow the licensing agreement in this document. No changes are allowed to this document.

Photographs (This section may be copied to a separate page for ease of gaining signature. No amendments will be accepted.) Photographs submitted with the application have been licensed by the photographer to be used by ABC. Applicant has obtained the signature of any third party photographer to reprint the photographs without limitations.

License to Use: The undersigned photographer hereby grants Associated Builders and Contractors of Oklahoma ("ABC") a non-exclusive license regarding my photographs submitted by applicant in support of its entry in the ABC of Oklahoma Excellence in Construction Awards competition ("EIC Competition"). This license grants ABC an unlimited right to use, reproduce, crop, resize, publicly display, distribute, and transmit electronically including on the internet, my photographs in connection with the EIC Competition including but not limited to the promotion of the EIC Competition and the announcement and promotion of any awards, without payment of any royalty or license or other fee by or from ABC or applicant or agent or other representative of ABC or applicant.

Photographer's Name (signature): _____

Date: _____ Phone: _____

Photographer's Name (print): _____

Notification and News Releases

ABC of Oklahoma Excellence in Construction Award winners will be notified after the judging process. News releases will be held until after the actual awards ceremony takes place November 2, 2023. Until that time the winners agree to not send out a press release.
