

Fall Protection Class

UTA ATP (Authorized Trainer Program) Certification

4 hour class

ABC of Oklahoma Training Facility

Who should attend? Owners, foreman, safety personnel, superintendents, warehousemen and employees who use scaffolding, ladders, lifts or work above ground.

Upon completion of this course, students will be able to identify fall hazards and when fall protection is needed, identify methods of fall prevention as well as types of fall protection and their basic components. Fall Protection (UTA ATP Cards) will be provided for those who complete this class.
