

OSHA Outreach 30 Hour for Construction Safety Class

30 hour class over 4 days
ABC Office & Training Facility

The 30-Hour Training Course is a comprehensive safety program providing complete information on OSHA compliance issues, as well as, information about rights and employer responsibilities. The instructor will emphasize hazard identification, avoidance, control & prevention, not OSHA standards alone. Participants will learn how to identify, abate, avoid and prevent job-related hazards. They will also receive instruction on a variety of safety & health hazards which they may encounter while on the job.

Each participant will receive a 29 CFR OSHA 1926 Construction Industry Standards Manual and a **30 Hour OSHA Card upon completion**. The cost for the class is \$495 per person for ABC members and \$695 for non-members. Breakfast and lunch are provided each day. Reservations are required. Attendees **MUST** attend all 4 days.
